

## CALL FOR PAPERS

# 1<sup>st</sup> International Conference on “Re-shaping Education for Sustainable Development”

**Conference venue: Kigali Conference and Exhibition Village (KCEV), Kigali-Rwanda**

**Dates: 28<sup>th</sup>-30<sup>th</sup> March, 2023**

**Theme: Re-thinking Holistic Education for the 4<sup>th</sup> Industrial Revolution**

### Rationale of the Conference

The 21<sup>st</sup> century is characterized by unpredictable changes in all aspects of human lives. It is imperative that innovative educational strategies are devised to adequately prepare current and future generations to proactively confront such challenges. It is in this regard that the ‘first international conference on Re-shaping Education for Sustainable Development will be co-organized by the University of Rwanda, College of Education through Leaders in Teaching Project in collaboration with United Nations Sustainable Development Solutions Network (SDSN). Scholars, educational practitioners, and researcher are expected to converge in Kigali, Rwanda for this noble cause.
